

PLEASE, PLEASE DO NOT ALLOW LPFM to take away my christian music station (K-LOVE, 106.7 FM)!!! It is the ONLY family oriented, wholesome station in our area. We waited a long time to have this type station in our area. It has a HUGE impact on my family and my community!! with all the trash on radio airwaves today it is a safe haven for our kids. We need uplifting, caring stations like this in the world we live in today and it would be a TERRIBLE mistake to deny this to our children and our community!! Thank you for your consideration of my comments.
